DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel Y.J. Kim, Reg. No. 36,186 on 18 March 2005.

The application has been amended as follows:

In the claim:

Please cancel claims 25 – 30.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

After a search and a thorough examination of the present application, claims 1 – 24 are allowed over the prior art of record.

The prior art of record does not teach or fairly suggest in combination of elements as recited in the independent claims, wherein steps including generating a tree data structure containing data requiring synchronization between a web server and a client and a number of change flags that each correspond to a separate leaf node of the tree data structure and each indicating whether a revision has been made to leaf node data stored in the leaf node; generating a number of first checksums, each for the

leaf node data stored in a separate one of the number of leaf nodes stored by the web server; and comparing each of the number of first checksums to a corresponding one of a number of second checksums contained in a request datagram communicated to the web server by the client.

The dependent claims, being definite, further limiting, and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
